Dear Leadership Garu,

I hope you are doing well. I know that you are anxiously waiting for TANA BOD to complete the election process. In my previous update on 1/28/24, I informed you that we were waiting for response from Election Trust before we adjudicate the complaints from the contestants.

The Election Trust did send us their response on 1/29/24 with basic answers to our questions, but Election Trust did not provide the data which we requested. They indicated that they will make the data available to us if TANA signs an affidavit assuring them that the TANA BOD will keep the information confidential and will hold them harmless from complaints related to the dissemination of information.

Several BOD members assured that they will keep the information confidential. But some BOD members haven't sent their responses yet. Once we get all the assurances, we will submit the affidavit to Election Trust. After we receive the data from Election Trust, we will schedule BOD meeting and adjudicate the complaints.

We are committed to completing the election process ASAP.

Again, thank you for your patience.

Thank You,
Dr. Hanumaiah Bandla
Chairman, TANA Board of Directors
