Update on Containers Fire Accident and Facts

Special meeting was called to discuss about Fire Accident. Sateesh Vemuri and Ashok Kolla also joined to provide insights and feedback.

Team discussed about Facts of NWH project from inception and hours of effort spent on this project. Everyone expressed their thoughts on this unfortunate and sad incident. Everyone condemned about wrong news being published in social media/online newspaper. Everyone agreed to do official press release from TANA Leadership about the facts of the incident.

Ashok Kolla explained that Insurance will be only valid until it reached port and release of goods. The containers are already handed over to Red Cross. As accident happened in “Sravan Shipping Storage”, they might have insurance for goods/containers stored. Red Cross is trying to talk to Storage company if Red Cross/TANA can get part of insurance claim amount paid. Foundation chairman requested NWH active team along with sasi kanth to followup on possibility of getting insurance.

Adjournment of meeting.
